

Zilly Bust it

Commercials can be tricky

Too many young people being mean

Too much skinny, too many huge muscles

Too sexy too soon

Nothing but blue for boys

Girls always being rescued

Nothing but pink for girls

Girls doing nothing but caring about beauty, shopping and princess obsession

Nothing but action figures and violent toys (boys dont cry, boys dont wear pink, boys dont play with dolls, boys are loud and like to fight)

Too much violence

Buy, buy and buy more and you will be happy
